COPPER SCOURERS

Copper scourers will easily remove burnt on stains from pots and pans. The heavy duty construction of the scourers makes them ideal for use when cleaning grill pans and barbecues. Using copper reduces the risk of scratching more delicate surfaces, which steel scourers could potentially damage.

Normally £4.18, Now only £3.30!!!

FLASH LEMON ALL PURPOSE CLEANER

Flash is an all purpose cleaner which can be used on most surfaces. It dissolves grease & grime leaving surfaces sparkling clean. Popular cleaning product with a pleasant and long lasting lemon fragrance.
