

UltraSpeed Mini

Small in size. Big on performance.

Compared to socket mopping UltraSpeed Mini is:

- **Twice as fast** at cleaning small areas (20m²), removing stubborn dirt and drying floors
- **Does more tasks** including walls, skirting, staircases and safety floors
- **Suitable for more sites** including offices, cafes/coffee shops, small retailers, restaurants, reception areas, hotel bedrooms/bathrooms, etc..

£18.99 + VAT includes Telescopic Handle

**SafeMop Pad
